

Envelope Glue Recipe #1 for handmade envelopes

Ingredients:

3 tablespoons of white vinegar
2 packets plain gelatin (0.1 oz each)
½ tablespoon vanilla extract

Directions:

1. Bring vinegar to a boil
2. Stir in gelatin until dissolved
3. Stir in vanilla extract
4. Apply to envelope with brush.

Don't feel like creating the mess. Lick & Stick Remoistenable Envelope Glue is a great solution. The valve applicator tip helps control flow and assists in smooth application. Click here to learn more:
