Instructions:

1. Cut the two-sided patterned paper to the Circle Card template size. Cut the coordinating patterned paper into a 4 inch circle. Follow the directions for a small circle on the Fiskars Circle Border Punch, and create the doily. Or you could use a similar size doily. Center and glue the doily to the front of the card. Rub on the sentiment “Merci” in the center of the doily. Glue the flower sequins evenly around the doily. Decorate the inside of the card with your sentiments.
2. To make the matching envelope, simply use a sheet of the coordinating cardstock and follow the directions for the Square envelope. Use the two-sided patterned paper for the envelope liner. Place the frame die cut over the area to be addressed.
